

TSX:FRXI
OTC:FRXIF
FSE:W2A.F

Market Opportunity

- **\$62B** Global Flame Retardant Plastics Market
- **\$10B** Flame Retardant Additive Market
- **\$1.5B** Immediate opportunity based on new regulations
- Flame Retardants are *EVERYWHERE*

Patents & Certifications

- **70+** Patent and Process Protections
- Certifications

Fundamentals

- **Strong** Financial Backers
- **Global** Client Base
- **\$US125MM** of Investment
- In Commercial production
- One of only a few global players ready to capitalize

Strong Regulatory Tailwinds Creates \$1.5B switch out over next 12 to 36 Months

- Legacy FR additives are toxic to humans and harmful to the environment
